On this page it will take you to the shopping cart. If you have chosen any they will appear here. You can remove designs from here by clicking on the word Remove

Please note you might need to scroll down to see the Promo Code.
Enter it here with a Capital "D".
Remember Freebies are only valid for a week. If you put in the "D" it will give you a tick.

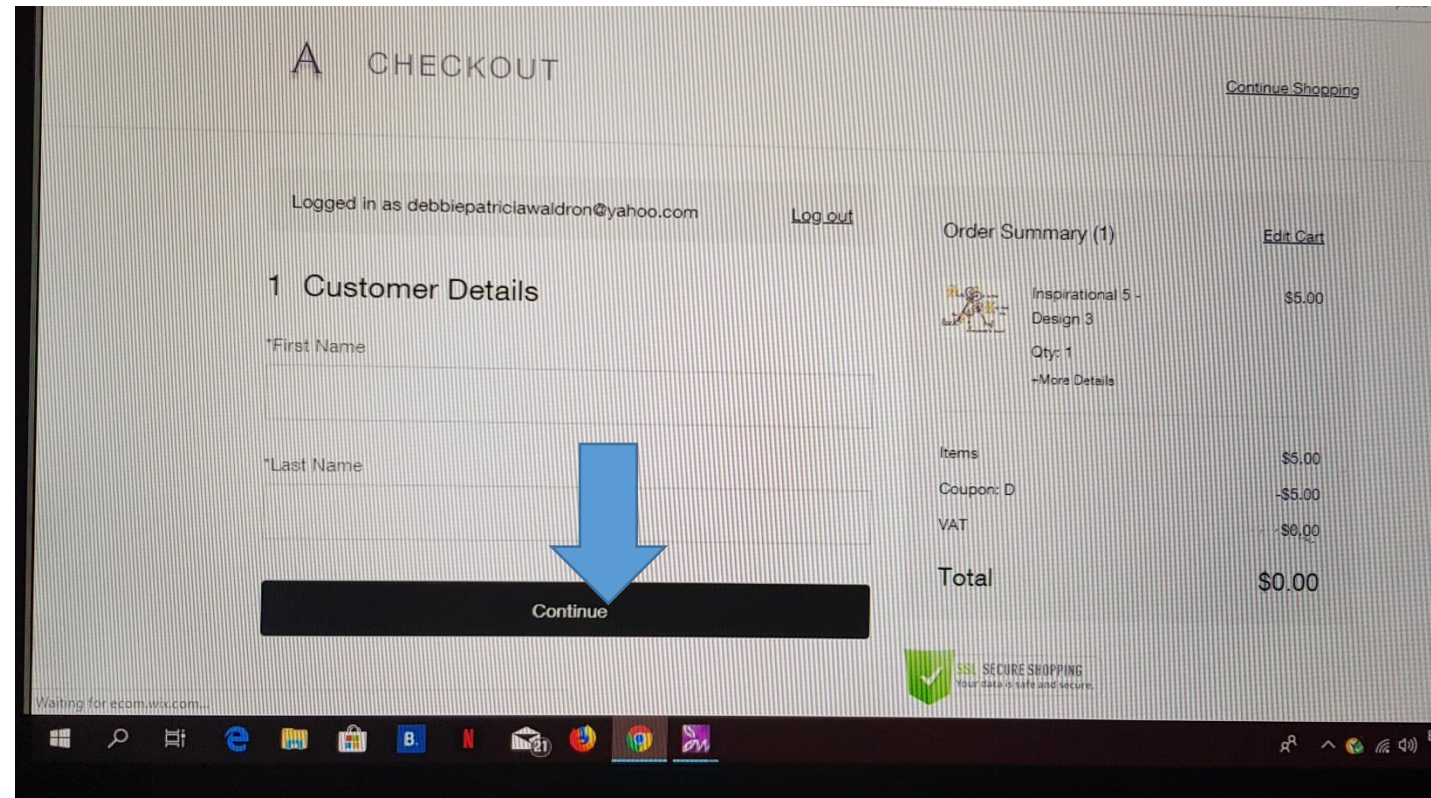

You will notice your total will become \$0.00.
If you are happy with your order
click on check out

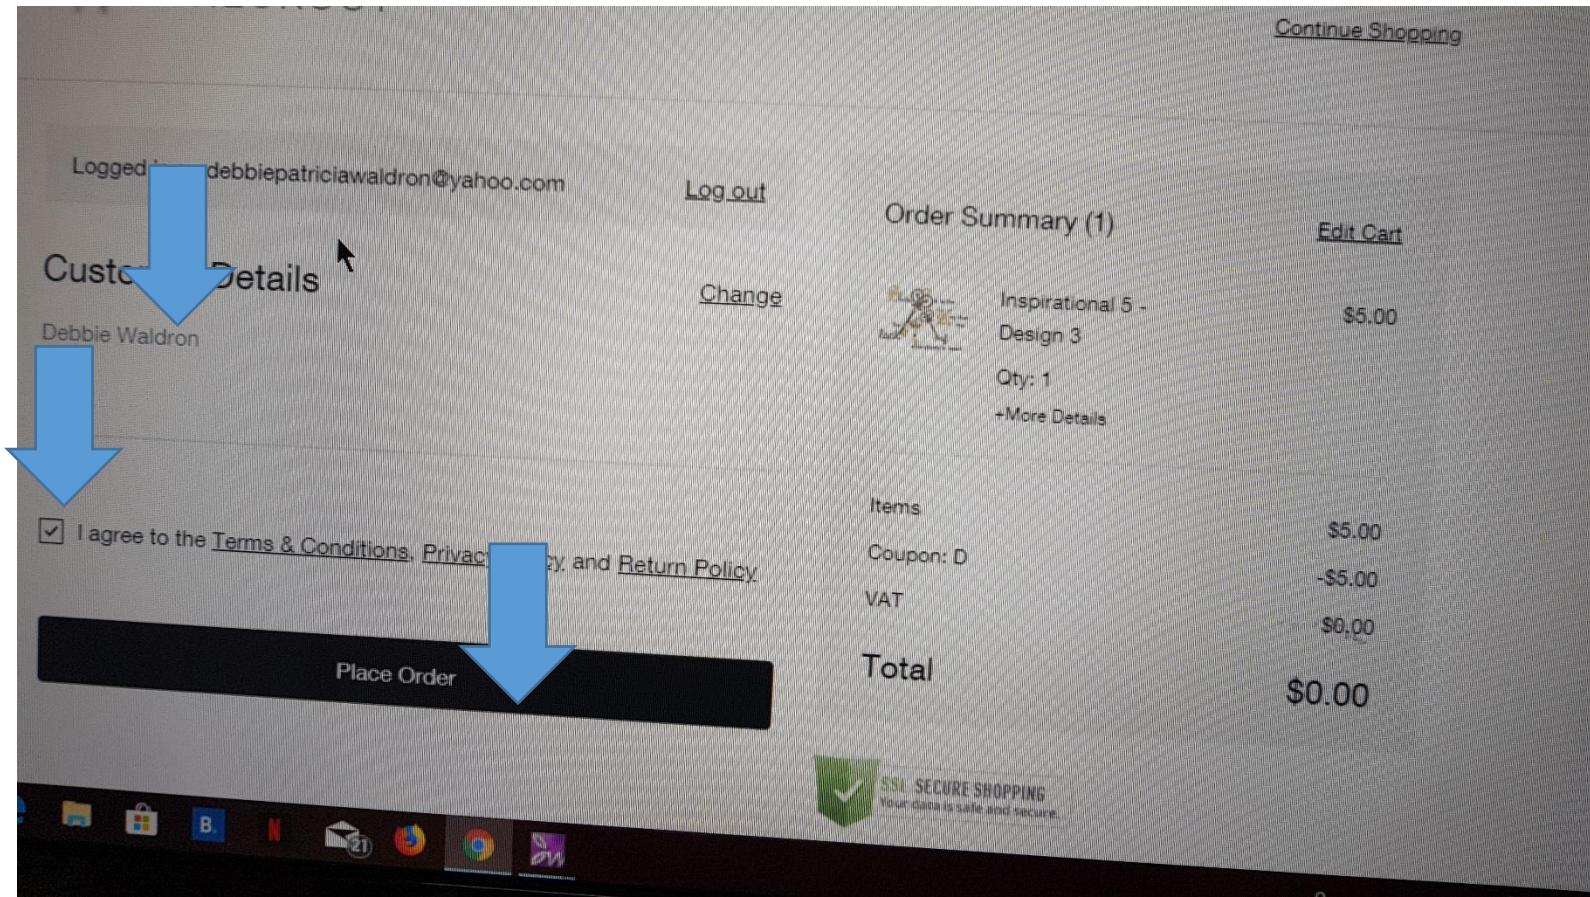

Your checkout page will open.
Here you complete your customer details as required.

Note your total.

Click on Continue

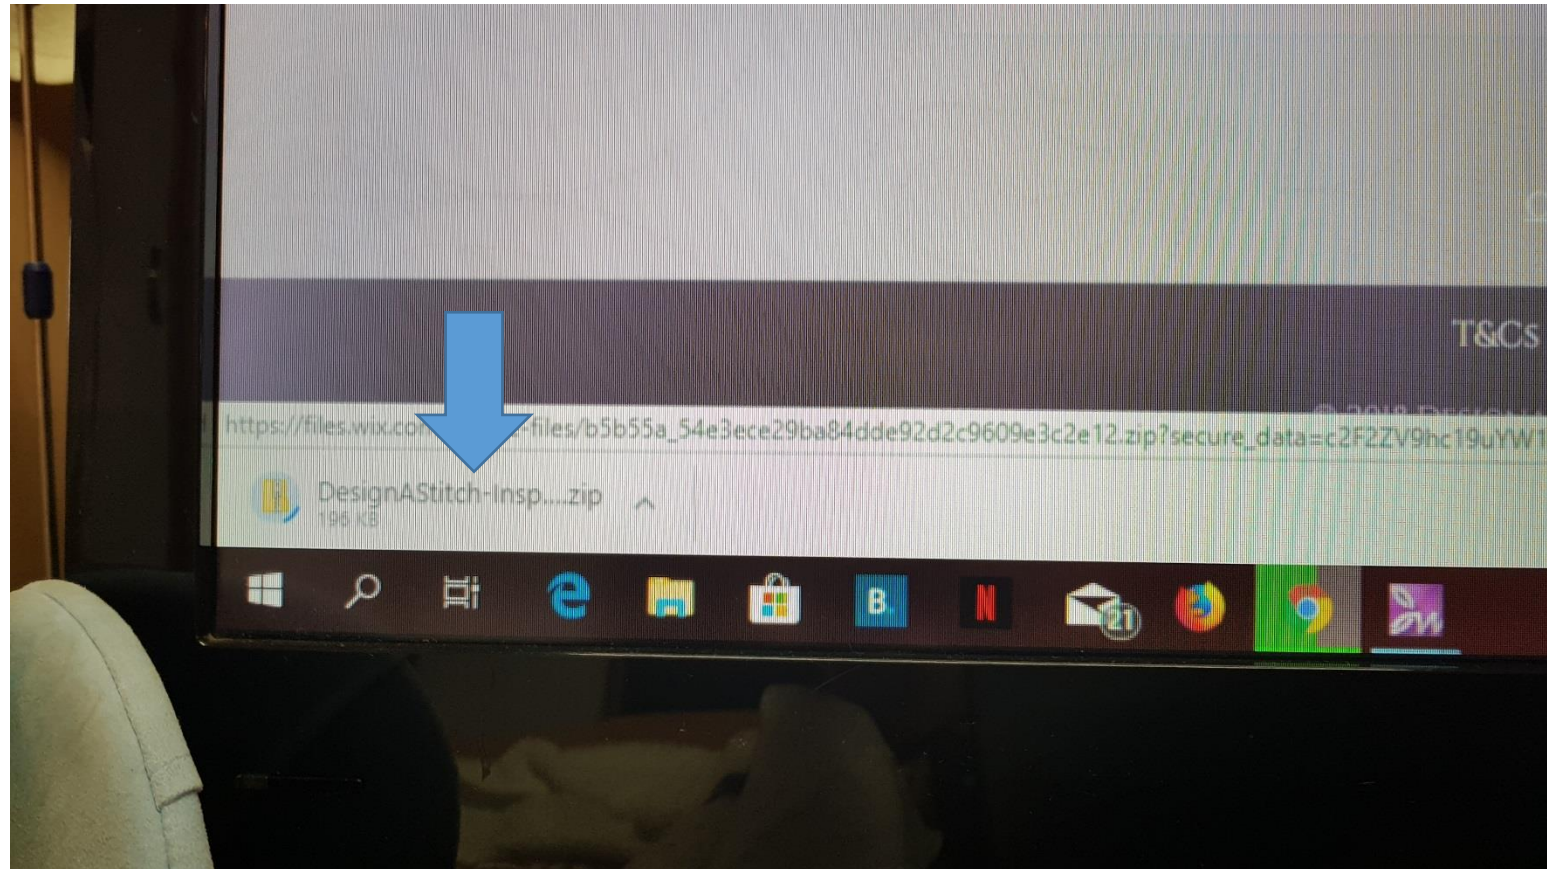

Check your details are correct. You can change it.
Agree to terms and conditions
Click on place order

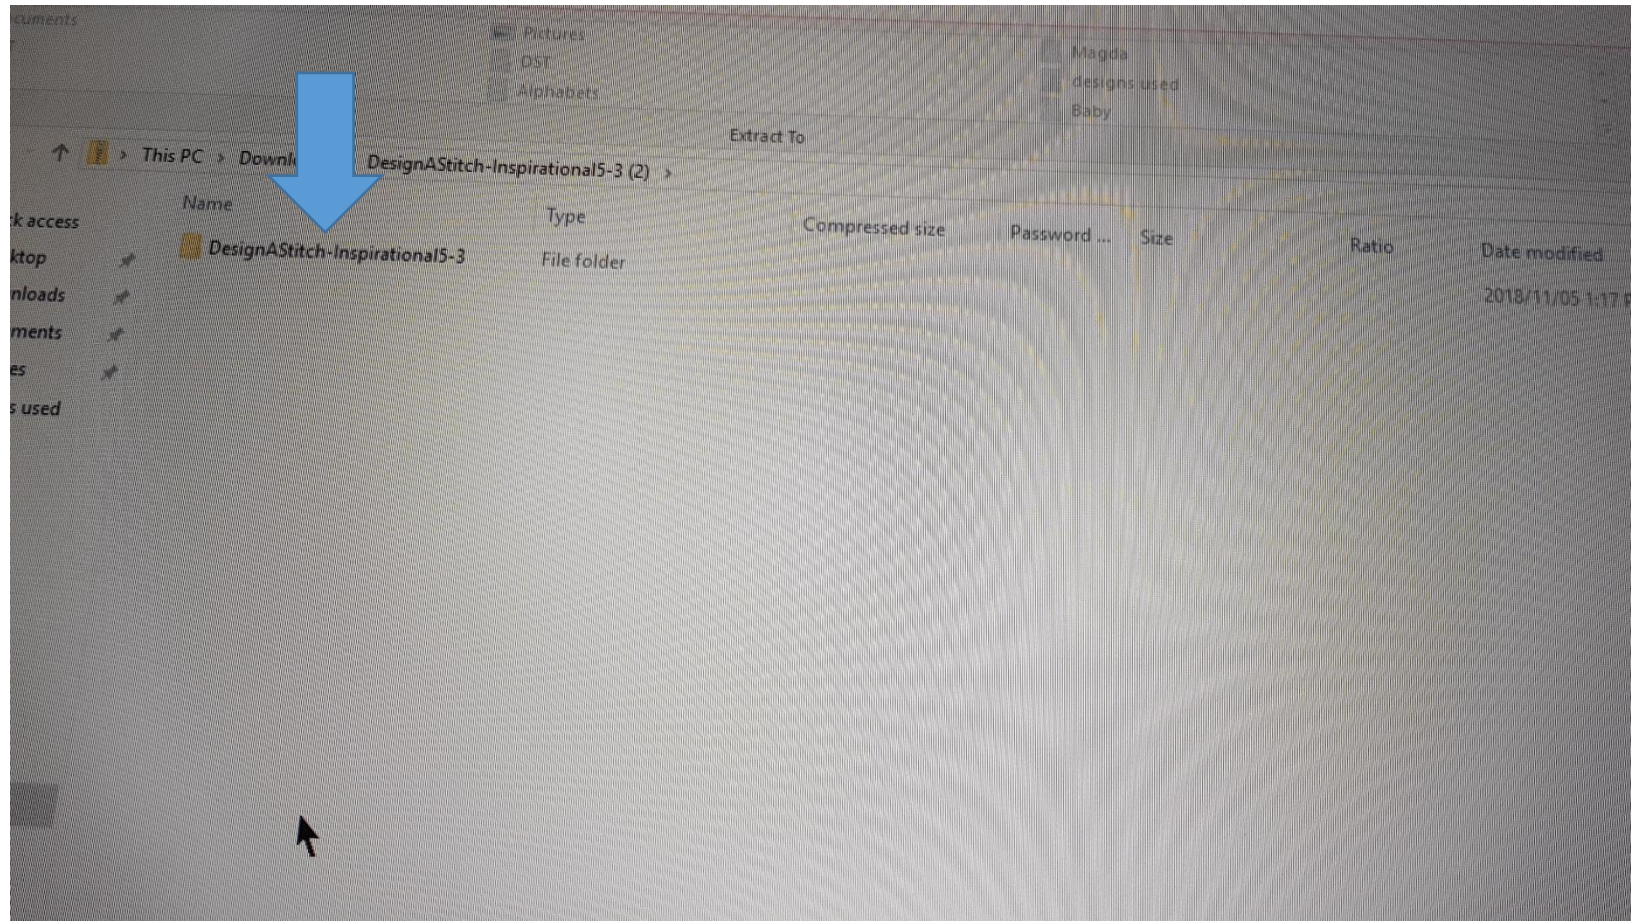

A page will open up Thanking you for your order.
NB** SCROLL DOWN to see your download.
Click on download and it will start downloading
the freebie design immediately.

You will immediately see it start downloading normally on the bottom left hand side of the screen.

When it is finished downloading it will open up where you can Extract it and replace it where you require it to be.

Thank you and we hope that this will help many members battling.

Please feel free to take a video and send it to us it makes it easier for us to see your frustrations.
